SANCTION INSTRUCTIONS

A USATF Sanction is a certification which evidences a competition's intent to comply with the international and national rules and regulations of the sports of track & field, long distance running and race walking. An event may obtain a USATF sanction by filing a completed USATF sanction application with the appropriate USATF Association, paying the requisite local and national sanctioning fees and complying with the requirements of obtaining a sanction. USATF will sanction only those events that agree to comply with the applicable IAAF and USATF rules and regulations (www.usatf.org), including USATF Bylaw Article 15, Operating Regulation 23, and USATF SafeSport Policy. Events which fail to meet all criteria will be denied a sanction. *See Application of Deductible section below.*

The following information is intended to assist an applicant in completing the Application for Sanction. USATF has helpful publications that are available from your local Association. After completion of the Application for Sanction, *return this form and any required addenda to your local Association with required fees at least four (4) weeks prior to the date of the event.*

Conditions and Information

- Type of Event:** Sanctions may only be issued for competition (one of the necessary attributes of a competition is that all participants are timed/scored) in track & field, long distance running, and race walking. **Events such as stair climbs, walkathons, triathlons, mud runs, warrior dashes, or those events which contain a man-made obstacle (excluding those identified in the USATF competition rules) or permit animals to participate in the event, cannot be sanctioned by USATF.** Long distance running is limited to foot races and USATF approved racing wheelchairs and does not include other methods of wheeled transportation such as roller blades, bicycles, etc. In compliance with liability insurance requirements, the coverage extends only to the athletics event(s) for which the Sanction is issued. The decision to allow persons with disabilities to compete using crank cycle racing wheelchairs is at the sole discretion of the race organization and/or race director.
- Hazardous Obstacles:** USATF cannot sanction any event that contains extreme hazards or obstacles such as mud pits, slippery slopes, wall climbs, tunnel crawls, other similar hazardous obstacles or animals. If any of these obstacles are included in your event, you are required to list them in this question.
- Age Divisions:** Youth – 18 & under; Open – no maximum age restriction; Masters – 35 & over.
- Sex:** Please indicate if the event is open to men, women, or both.
- Number of finishers:** Enter the number of expected finishers for the event.
- Sanction Fees:** *Association* – Each Association has the right to establish its own fee structure. Fees may vary based on the number of entrants, services provided by the Association, or other reasons. *National* – National Fees, which are determined by the estimated number of finishers, are sent by the local Association to the National Organization. The current fees can be found on the USATF website. Both Association and National fees are to be sent to your local Association. Adjustments in fees will be made when the number of finishers varies from the estimates used in this application. These adjustments, if necessary, are paid when the Post-Event Report Form is filed by the Organizer within fifteen (15) days after the event.
- Safety Precautions and provisions for medical supervision:** USATF requires that all sanctioned events take the appropriate safety precautions and provide for appropriate medical supervision. A summary of safety recommendations is available on the USATF website. Upon request, your local Association can provide additional guidelines to help you ensure a safe and successful event.
- Participant waivers of liability:** To reduce the organizer's and USATF's exposure to potential lawsuits, Organizer is required to have all participants, officials and volunteers sign the USATF waiver of liability that releases the race organizers, volunteers and officials, and USATF from claims for damages. While the USATF insurance policy covers many risks it does not cover every possible risk. A valid waiver is important to the Organizer, volunteer, official and USATF. All waivers will be maintained in a secure location for at least five years (or longer if your state's statute of limitations on liability claims is longer than five years). The Organizer **MUST** be able to produce this waiver in the event of a claim against any of the named parties. Organizer should consult with local legal counsel for any waiver language changes. *See Application of Deductible section below.*
- Post event report:** The appropriate form will be enclosed with your approved sanction and must be completed and returned to the local Association within fifteen (15) days after the event.
- USATF name, logo and trademarks:** The entry form must state the event is sanctioned by USA Track & Field. The entry form, promotional publications such as posters or advertisements may also use USATF's Sanctioned Event insignia. The organizer may obtain a copy of the USATF Sanctioned Event insignia for this purpose at www.usatf.org/events/sanctions. Permission to use the USATF name and trademarks for any other purpose must be obtained from the National Office prior to such use.
- USATF's Policy & Procedures for Accommodation Requests Pursuant to the Americans with Disabilities:** The event shall comply with USATF's *Policy & Procedures for Accommodation Requests Pursuant to the Americans with Disabilities Act* available on the USATF website.
- Transfer Rights:** The event organizer does not have the right to transfer the sanction to conduct this event to anyone.

Check boxes – please read carefully:

Elite Sanctions: In accordance with USATF Operating Regulation 23, events that anticipate at least one of the following must complete an Elite Sanction Addendum:

- Award cash or prizes with a value of more than \$500 for any *individual* performance or participation (note that total prize money may exceed \$500 as long as any single prize, bonus or appearance fee does not exceed \$500);
- Invite five (5) or more non-resident foreign athletes;
- Serve as a National Championship or trials competition for selecting international teams (other than Youth and Masters);
- Subject to formal drug testing controls.

Questions regarding Elite Sanctions and related requirements should be directed to your local Association or the USATF National Office. Compliance with Elite Sanction requirements are necessary to maintain the eligibility of all athletes under both USATF Bylaws and IAAF Regulations.

Waiver of Insurance: Under certain circumstances, organizers can waive USATF's liability insurance coverage and pay a reduced national sanction fee. RRCA clubs can also waive liability insurance coverage. Complete the *Waiver of Liability Insurance* form and refer to those separate instructions.

Application of Deductible:

- In the event a sanctioned event incurs a claim wherein the event director and/or organizer are unable to produce the required waiver for the participant, official or volunteer involved in the claim, the event director and/or organizer will have a \$10,000 deductible on the claim, payable to USATF.
- In the event a sanctioned event is conducted on property not intended for the purpose of the sanctioned event (e.g. a golf course) and such use causes excessive property damage (at USATF's sole discretion), the event director and/or organizer will have up to a \$10,000 deductible on the property damage claim, payable to USATF.
- In the event a sanctioned event fails to abide by USATF Rules and Regulations, including any USATF sanction regulations, USATF may impose a deductible against the event director and/or organizer for any claim incurred against that sanctioned event. A deductible amount of \$2,500 may be assessed for the first offense by the event director and/or organizer. A deductible amount of \$5,000 may be assessed for the second offense by the event director and/or organizer. A deductible amount of \$10,000 may be assessed for the third, and subsequent, offense by the event director and/or organizer. Additionally, following the third offense by the event director and/or organizer, USATF may refuse to sanction any future events for the event director and/or organizer, at USATF's sole discretion. Offenses will be attributed to event directors and/or organizers irrespective of the sanctioned event involved; therefore, offenses will be cumulative and do not need to be of the same type or need to occur all within the same sanctioned event.
