

## **December 2022 Kentucky Association Video Newsletter**

By Don Harris , Kentucky Association Vice President and Communications Chair

Greetings Kentucky Association members and friends!

This month's video is six minutes long. The primary news topics are matters pertaining to Youth, Masters, USATF Membership renewal, and the Annual Meeting. The video link for the December 2022 newsletter is [here](#).

As mentioned in the previous communications, the format of the Association Newsletter is going from paper to digital. When a newsletter is published, a new video link will be provided that is unique to that publication. I will continue to provide content focused primarily on USATF matters at the association, regional, and national level.

If you have suggestions, feedback, or content ideas for this newsletter, please submit those to [harrisdon3807@gmail.com](mailto:harrisdon3807@gmail.com).
