USA TRACK & FIELD ATHLETE RETURN FROM RETIREMENT FORM

I, _____, hereby submit my RETURN FROM RETIREMENT notice and intent to once again become an active athlete member of USA Track & Field, Inc. (USATF). In submitting this paperwork, and returning as an athlete, I understand that I will be required to re-enroll in USATF's Out-Of-Competition drug testing program.

I understand that to return to the sport and to regain eligibility to compete, I must (1) notify USATF by completing this **RETURN FROM RETIREMENT** form; (2) enroll in the USADA Out-Of-Competition Drug Testing Pool for twelve (12) months in advance of the date upon which I wish to compete; (3) be available for testing for the entire specified period; and (4) successfully complete all drug tests administered during said specified period preceding my re-eligibility date.

I further understand and agree that this **RETURN FROM RETIREMENT** form will have no impact on any disciplinary proceedings that have or will be brought against me pursuant to USATF Regulation 20, for doping-related offenses prior to my **NOTICE OF RETIREMENT**.
